DayCare Sage 2016 Price Sheet and Checklist

Compare our price sheet to the competition. With the Childcare Sage, you simply buy the version that supports the number of enrolled children or families at your center, that's it. No modules, no extra licenses, and no extras.

DayCare Sage (up to 25 active children or 15 active families)	\$295
Annual Support Renewal (first year included)	\$75

The DayCare Sage comes complete with every function you need to run your childcare center. There are no modules, no extra licenses or seat fees, and no hidden charges. We welcome comparisons with the competition, because our system wins every time. The DayCare Sage includes:
